

Services Provided to Older Adult Victims of Crime/Fraud

(FY2022 Appropriation Act - Public Act 87 of 2021)

March 1, 2022

Sec. 851. (1) *From the funds appropriated in part 1 for adult services field staff, the department shall seek to reduce the number of older adults who are victims of crime and fraud by increasing the standard of promptness in every county, as measured by commencing an investigation within 24 hours after a report is made to the department, establishing face-to-face contact with the client within 72 hours after a report is made to the department, and completing the investigation within 30 days after a report is made to the department.*

(2) *The department shall report no later than March 1 of the current fiscal year to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the house and senate policy offices on the services provided to older adults who were victims of crime or fraud in the previous fiscal year. The report shall include, but is not limited to, the following by county: the percentage of investigations commenced within 24 hours after a report is made to the department, the number of face-to-face contacts established with the client within 72 hours after a report is made to the department, the number of investigations completed within 30 days after a report is made to the department, and the total number of older adults that were victims of crime or fraud in the previous fiscal year and were provided services by the department as a result of being victims of crime or fraud.*

Section 851(2)
(FY2022 Appropriation Act - Public Act 87 of 2021)

The department shall report no later than March 1 of the current fiscal year to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the house and senate policy offices on the services provided to older adults who were victims of crime or fraud in the previous fiscal year. The report shall include, but is not limited to, the following by county:

- The percentage of investigations commenced within 24 hours after a report is made to the department
- The number of face-to-face contacts established with the client within 72 hours after a report is made to the department
- The number of investigations completed within 30 days after a report is made to the department
- The total number of older adults that were victims of crime or fraud in the previous fiscal year, and*
- Were provided services by the department as a result of being victims of crime or fraud*

*Adult Protective Services (APS) complaints are not tracked to include the last 2 data sources required of this section of the Boilerplate. Complaints are substantiated abuse, neglect or exploitation occurred. APS clients do not have to accept services from the department and even though a case is substantiated, it may not lead to a crime being committed as not all cases are prosecuted.

County Name	The percentage of investigations commenced within 24 hours after a report is made to the department	The number of face-to-face contacts established with the client within 72 hours after a report is made to the department	The number of investigations completed within 30 days after a report is made to the department
